

Follow-Up Opportunities

The Mental Health Association in Milwaukee County and the Bureau of Mental Health and Substance Abuse Services/Department of Health and Family Services greatly appreciate your participation in today's meeting. We trust that your participation today reflected a strong interest you have in this issue and we hope that you both learned some things that will help you in your work and were excited by the possibility of promoting enhanced integration of mental health services into the primary care setting in Wisconsin.

As we have discussed with many of you individually and as part of today's program, this meeting is only a starting point for a longer-term effort. We would like to invite you to tell us how you would like to be involved in this effort. Please check all that apply and return to us.

_____ I would be willing to share information about this effort with others through an email listserve, training events, or presentations. Please indicate the audience you would be communicating with (e.g., your clinic staff, your professional association).

_____ I would be willing to share information with the MHA about efforts that my organization is undertaking to improve the provision of mental health services in the primary care setting.

_____ I would like to be part of a workgroup that would explore how to move this effort forward in Wisconsin, including identifying potential funding. This would involve participating in meetings (either in person or by phone) at least every other month, and possible work on developing proposals for grants.

_____ I am unable to participate in a workgroup at this time but would be willing to review materials/products from a workgroup and provide some feedback on your planning efforts.

_____ I would be interested in being informed about opportunities for involvement as your planning efforts move forward.

_____ I do not feel like I can commit to any involvement at this time but I would like to receive information about this initiative as it moves forward.

Your name: _____

Thank you, again, for your participation today! We hope to be able to work with you further in the future.
